Married at First Sight Chapter 1621 – “Your mother is out to do something, and she will be back soon.” Duncan lied.

“We’re waiting outside for mom to come back.” Sonny snorted.

After Duncan went down to the first floor with Sonny in his arms, he asked Sonny again: “Sonny, what snacks would you like to eat? Uncle Duncan will buy them for you.”

Sonny: “Thank you Uncle Duncan, my aunt has many delicious snacks at home, no need to buy it again.”

Now Sonny spent most of the night at his aunt’s house, and Uncle Jim would send him to class in the morning, and he would live with his mother only when he didn’t have to go to class.

His aunt and uncle loved Sonny very much and bought him a lot of delicious snacks.

“The ones from your aunt’s house are from your aunt’s house. What Uncle Duncan bought for you is Uncle Duncan’s wish. Sonny, you have to give Uncle Duncan a chance to show off.”

Sonny looked at Duncan. He didn’t quite understand the meaning of Duncan’s words.

Duncan didn’t explain further, but asked Sonny: “Sonny, have you ever thought about letting Uncle Duncan be your father?”

Sonny: “I have a father.”

After he choked, Duncan said, “I know you have a father, everyone has a father, but some people are exceptions, there will be two fathers, do you want to have two fathers? May I be your father?”

Sonny shook his head, “Uncle Duncan, you are my uncle, how could you be my father?”

He continued: “It is enough for me to have one father. I don’t want two fathers. My mother always taught me that I should not be too greedy in life. I should leave some for others. Uncle Duncan, you can be someone else’s father. Let’s go.”

Duncan: “...”

This little guy was smart, but unfortunately he was too young to say it clearly.

“Sonny, Uncle Duncan means this. Uncle Duncan likes your mother very much and wants to marry your mother and form a new family. Then we will be a family of three. You can call me Dad.”

Sonny: “But I have a father. Do you want to marry my mother as your wife?”

Duncan smiled: “Yes, will you agree with me being with your mother?”

“My mother wants to be with me!” Sonny was the first to declare that his mother was his!

“You must be with your mother. Your uncle Duncan wants to join your and mother’s small family. Do you agree?”

Sonny looked at Duncan and said nothing.

Duncan asked patiently: “Sonny, do you like Uncle Duncan?”

Sonny: “Yes, but I have a father.”

Duncan: “...But your father and your mother are divorced.”

Sonny: “Mom said that even if she divorces my father, my father will still be my father.”

Duncan was speechless.

Sonny: “Mom, my mother is here.”

Sonny, who was carried away by Duncan, looked far away, saw his mother coming, and immediately said happily to Duncan: “Uncle Duncan, my mother is here to pick me up, wait a while Ask my mother, my mother agrees you to join me and my mother’s family, so I agree.”

In fact, Sonny still didn’t understand the meaning of Duncan’s words.

But he knew that he was just a little kid, he was easy to be coaxed, and it was better for his mother to decide everything. His mother was an adult, so it was not so easy to be coaxed.

As long as mother agreed, Sonny had no objection.

Sonny really liked to play with Duncan now.

But Sonny felt that by allowing Duncan to be his father, he wasn’t being overly ungrateful. He no longer desired to have a father if he already had one. Let’s reserve it for the kids who didn’t have father figures.

However, Duncan stopped and looked in the direction Sonny pointed, and he really saw Liberty walking into the shopping mall from outside.

“Sonny.”

The guilty Duncan told Sonny quickly: “Sonny, don’t tell your mother what Uncle Duncan said to you just now, do you understand?”

Sonny: “Why?”

“Because this is Sonny and your Uncle’s little secret, the little secret is that we two can know it, don’t tell others, not even your mother.”

Sonny said: “But mother is not someone else, she is my mother.”

Duncan choked again.

He patiently explained it to Sonny several times. After Sonny seemed to understand, he asked Duncan: “Uncle Duncan, are you afraid to ask my mother? Don’t be afraid. I will help you ask my mother.”

Duncan: “No.”

“Sonny.” Liberty also saw the two of them and walked towards them.

Duncan worriedly reminded Sonny one more time, telling Sonny not to say anything, as if Sonny didn’t hear his advice, he broke free from his embrace, slipped down to the ground, and trotted towards his mother.

“Mom.”

Liberty waited for her son to come running over. She held his little hand and asked with a smile, “Is my son not playing anymore?”

Sonny: “No more, I want to go home.”

Liberty: “Okay, let’s go home.”

Liberty looked at Duncan approaching, and thanked Duncan calmly: “Duncan, thank you for helping me take care of Sonny.”

Duncan: "You're welcome, I'd be happy to help you take care of Sonny. He is a very easy child to take care of."

Liberty smiled, and then said to Duncan: "Duncan, Sonny wants to go home, let's go home first."

Duncan immediately said: "I will see you off."

"No need." Liberty picked up Sonny and told him to say goodbye to Duncan.

"Liberty." Duncan wanted to know what she had said to her mother.

Liberty just turned her head and smiled at Duncan, then left with Sonny in her arms.

Duncan followed the mother and son.

"Mom, I want to ask you something."

As soon as Sonny opened his mouth, Duncan subconsciously wanted to find a hole in the ground to get in. No matter how many times he explained to him, this little guy couldn't listen.

He still had to tell his mother.

"You ask." Liberty didn't know what Duncan and Sonny said, and she was very interested when she heard her son said that he wanted to ask her something.

Sonny said: "Mom, Uncle Duncan said he wanted to join our small family, and asked me if I agreed. I'm a child, so I can't decide. So I ask you. Mom, if you agrees, I will reply to Uncle Duncan."

Finally, he yelled at Duncan: "Uncle Duncan, hurry up, I'll ask my mother for you."

Duncan: "..."

Was there a hole in the ground?

Where there was a hole in the ground, he wanted to get into it.

Otherwise, God sent a thunderbolt to stun him, so as to avoid embarrassment.

Liberty was also stopped by her son's innocent question.

What did Duncan say to Sonny while she was away?

“Uncle Duncan, Uncle Duncan, come quickly, I asked my mother, don’t be afraid, ask my mother again.”

Sonny was very enthusiastic.

“Sonny.” Liberty patted his son’s little hand waving towards Duncan.

Only then did Sonny realize that his mother’s expression was not right, did his mother disagree?

Why?

Duncan was fine.

“Mom, do you disagree with Uncle Duncan joining us? Uncle Duncan is very nice, I like Uncle Duncan, but Uncle Duncan said he wants to be my father, I have a father, I don’t want to be greedy and want two fathers.”

Duncan: “...”

Would he hit the wall in time?

Married at First Sight Chapter 1623 -Duncan was embarrassed because of Sonny’s words, and so was Liberty.

Liberty looked at Duncan.

Duncan grinned at her.

Liberty was speechless, she was silent, also thinking about how to answer her son.

“Mom.” Sonny’s childish voice sounded again, “Mom, do you disagree?”

“Sonny.” Liberty said gently, “Sonny, you have a father now. Uncle Duncan is your Uncle, and has always been Uncle Duncan.”

“Liberty.” Duncan called out.

“Duncan, Sonny is still young, he is not sensible, don’t tell him these things. My life is not decided by Sonny for me.” When Liberty said this, she was extremely serious.

Duncan said apologetically: "Liberty, it's my fault, I shouldn't have said that to Sonny right now. However, Liberty, I am sincere to you, and I also sincerely like Sonny, and I will treat Sonny as the same as my own."

Liberty: "Duncan, as I said, I don't think about feelings now."

Facing Duncan, Liberty calmly said, "I hope you can understand, and I hope you will give up your heart."

Duncan was right, even if Mrs. Lewis reluctantly agreed to her son, if she didn't like Liberty, she didn't like her, and after she passed through the door, the conflict between mother-in-law and daughter-in-law would always exist.

Liberty couldn't change her origin. Besides, she really didn't think about remarrying.

Just like what she said to Grandma May, she felt that marriage did not bring her happiness, but only hurt and pain, only her dedication and sacrifice, and what she got was betrayal.

After a slump in her marriage, she finally struggled to get out, so why did she jump in again?

It's not that she couldn't live without a man now.

Duncan: "Why is it not suitable? Liberty, what did my mother tell you? Did she force you to stay away from me?"

Liberty: "Mrs. Lewis didn't say anything, but I think we are not suitable. Duncan, you are so kind to me. I am very grateful, but I don't love you and don't want to accept you, just don't want to accept, just like you don't accept Lily."

Duncan opened his mouth, but he didn't know how to refute Liberty.

He was not as smooth-tongued as Josh. When meeting the woman he was attracted to, his eloquence was even worse. What he wanted to express, he couldn't always find good words to describe and organize the language to say it.

He would tell Liberty most bluntly that he loved Liberty and was pursuing Liberty for the purpose of marriage, not playing with Liberty.

"Duncan, thank you for taking care of Sonny for me. I'll take Sonny home first." Liberty said, holding her son and leaving.

She rode the car and left the mall quickly.

Duncan didn't stop her, let alone catch up with her again, just stood there, watching Liberty leave silently, watching the mother and son's figures quickly blend into the night.

Liberty took his son back to the rented house, changed the car keys, took his son's little hand again, and said to his son, "Sonny, mom will take you to your aunt's house."

"Mom."

Sonny was only three years old, there were many things he said that he couldn't understand, but he would watch his mom's face.

His mom was not happy. He hugged his mom's leg, raised his little face, his big black and bright eyes were flickering with fear, he was afraid that he was the one who made his mom unhappy.

"Mom, is it wrong?" Sonny asked timidly.

Liberty squatted down, hugged his son, and then let go of him.

"Sonny, you are right." Liberty said softly, "Sonny, you did the right thing, you already have a father, we are not greedy, we don't want two fathers."

"But you're not happy because I asked that question, you also don't look very friendly to Uncle Duncan. Mom, I like Uncle Duncan, but he's not my father."

Married at First Sight Chapter 1624 – Sonny was very stubborn.

Just like when Hank spoke ill of Duncan in front of him.

Sonny insisted that Uncle Duncan was terrible, but Uncle Duncan was not a bad person, no matter what his father told him, he would not change his opinion of Uncle Duncan.

"Mom is not unhappy. Mom was thinking about something just now." Liberty smiled, "Look, mom is smiling."

Sonny was smart and sensitive.

Sonny looked at Liberty and smiled, and believed her words, and Liberty was not angry because of his words.

“Mom, is it true that Uncle Duncan wants to marry you?” Sonny asked his mom about this topic as soon as he was relieved.

Liberty: “...”

Duncan really told Sonny everything.

How old was Sonny, what did he know?

Even if Sonny could accept Duncan as his father, his decision couldn't change Liberty's decision.

Liberty: “That's Uncle Duncan teasing you, don't take it seriously.”

Sonny snorted, “Uncle Duncan teasing me.”

Liberty: “Let's go, mom will take you to your aunt's house.”

Liberty stood up and took Sonny's little hand again, wanted to send Sonny to her sister.

“Alright.”

Sonny was used to waking up at his aunt's house every day.

Going to Zachary's villa on the top of the mountain, Liberty didn't ride the battery car anymore. She was afraid that the battery car would run out of power and it would be very troublesome if it ran out of power halfway.

She drove her new car directly and sent her son to the hilltop villa.

Serenity just finished talking with Jasmine.

Jasmine naturally agreed with expanding investment and buying land to build a company. She said: “Serenity, I completely trust you and Elisa. You have made a decision. Just let me know. I have no objections at all.”

Serenity was very close to her. They had been friends for several years, and the two of them were so good that they could wear the same pair of pants.

Elisa's character was good, and she was Serenity's cousin. Jasmine was not worried that Elisa would cheat her as a partner.

“Miss...” Sam the butler walked over to Serenity and said, “Miss, Miss Liberty is here.”

Serenity! hummed, got up and left.

As soon as she got out of the house, she met Liberty and Sonny.

“Sister.” Serenity called her sister, then picked up her nephew and kissed his tender face several times.

Sonny has always been close to his aunt, and when his aunt kissed him, he also kissed his aunt’s face generously.

Soon, Sonny was carried away from his aunt’s arms by big hands.

Sonny hadn’t seen his uncle’s face yet, because after his uncle hugged him, he pressed his head and leaned against his uncle’s shoulder.

When he didn’t know what was going on, he heard his aunt saying to his uncle: “Sonny is here.”

When Sonny could see his uncle’s handsome face, the little guy noticed that his aunt’s face was a little red.

Sonny blinked his eyes wide, not knowing why.

When Sonny kissed his aunt just now, her face was not as red as if she had applied rouge.

“Sonny, Uncle has something to tell you.” Zachary kissed Serenity’s face several times just now, meaning to erase the traces of Sonny.
