

“Good!” The old lady said with great relief, “With your words, grandma is relieved!”

After saying that, she stood up and said, “Come, grandma will take you to the plane!”

Chapter 4301

The Evans Family watched Stefanie’s private plane take off,

And only then turned around and returned to the villa.

The old lady even shed tears after Stefanie left, choking up and saying to her children,

“This is the good fruit that your sister had planted for your father and for us

“If she hadn’t set up this marriage for Charlie,”

“I’m afraid your father would not have been able to overcome this hurdle today

“This hurdle we all..... would really have not been able to pass

Desmond also could not help but sigh: “Mom, you are right,”

“If it were not for Miss Sun’s pill, Dad might have died tonight

The old lady said seriously: “We owe the Sun Family a great debt of gratitude for this matter,”

“We must personally thank them in person, in my opinion, when your father’s health is a little better,”

“We all should go to Eastcliff to thank Stefanie’s father in person,”

“Do not let people think that our Evans Family has lost its manners.”

Desmond nodded and said, “Mom, you are right, such a big favor, we really have to thank him in person,”

“But Dad’s memory is relatively poor now, this kind of thing,”

“I’m afraid he will soon forget when he hears that he has to go to Eastcliff,”

“I’m afraid he will be reluctant.”

Desmond knows very well in his heart, that after the accident of his sister’s family,

The old man has been very repulsive to Eastcliff and Aurous Hill, in his daily life,

Even if he hears the names of these two places, he has to slap the table and curse angrily,

And his current memory, which happens to stay shortly after his sister’s death,

Let him go to Eastcliff under such circumstances, he will definitely be very repulsive.

The old lady listened, nodded slightly, and sighed:

“This is indeed a problem, let’s see your father’s state then,

If we can talk to him and let him know what the situation is,”

“Maybe he can still accept it, the big deal is to talk to him once a day.”

Said, the old lady sighed and continued, “In fact,”

“I want to take your father with me to Eastcliff, there is another selfish

Several people hurriedly looked at the old lady, waiting for her next.

At this time, the old lady seriously said,

“I want to take your father to the Wade family to see your sister,”

“And by the way, with the Wade family to lift all the years of bad blood.”

After a pause, the old lady continued, “All these years,”

“Although we have not had any contact with the Wade family,”

“And even your father’s heart was once very dissatisfied with them but,”

“The Wade family is ultimately your sister’s in-laws, not to mention,”

“Although the whereabouts of Charlie is still unknown, but the blood flowing in his body,”

“Is the Wade family’s and the Evans Family’s and their future,”

“If Charlie is found, for his sake, we are bound to release the former suspicion with the Wade family,”

“Rather than increase the divide, it is better to open up earlier,”

“So that when we find Charlie, we can give him a complete and harmonious family,”

“By then he has the support of both the Evans Family and the Wade family,”

“He can also be on the right track as soon as possible, what do you think?”

Desmond thought for a moment, nodded, and said, “Mom, I agree with your decision.”

Marcus also said seriously, “Mom, I have the same opinion as big brother.”

Martel and Tece also followed without thinking and expressed the same attitude.

The old lady nodded with relief and lamented,

“What I’m most worried about now is that your father can’t wait for the day when Charlie returns,”

“We’ve been looking for Charlie for twenty years and have found nothing so far,”

“I don’t know how long it will take to find his whereabouts

Chapter 4302

Speaking of this, the old lady’s eyes turned red, and sighingly said:

“One or two years may be okay, three or five years, eight or ten years, he certainly can not wait

Desmond heard this, and could not help but sigh:

“If only I could buy the rejuvenation pill, Dad’s problems can be solved.”

The old lady saw the effect of the blood dispersal heart-saving pill today,

And instantly had great confidence in the pill again, so she hurriedly said,

“Desmond , let’s go back to the living room, you can give me a good explanation of what this pill is all about,”

“Recently mom also heard people talk about it,”

“But always felt that what they said was too fantastical and not like the real thing,”

“So I couldn’t tell if it was true or not.”

Marcus at his side also nodded and agreed:

“Yes, big brother, recently many people in the circle rumored the miraculous efficacy of the Rejuvenation Pill,”

“I originally wanted to send someone to try to find out about it,”

“But recently there are a lot of things to do, so I didn’t have the energy to do it,”

“So I thought that when you come back, let’s discuss it properly before making a decision.”

Desmond looked at the time and said, “Mom, it’s too late tonight,”

“Why don’t you go back and rest first, I’ll go with Marcus to keep Dad some company,”

“And when you’re well-rested, I’ll talk to you and everyone else about the Rejuvenation Pill tomorrow.”

The old lady waved her hand and said, “No, mom is not tired at all,”

“If Stefanie hadn’t left, I could have talked to her all night,”

“Now that she is back in New York, my heart is empty, so I don’t want to sleep.”

She looked around and said to everyone, “Let’s not rush to rest tonight,”

“Just think of it as a family meeting and let’s have a good chat.”

Seeing that the old lady had said so, all of them naturally agreed to do so,

And a group of people surrounded the old lady and returned to the living room.

After sitting down, Desmond recounted the whole process of his previous trip to Aurous Hill in detail.

When everyone heard his account of the miraculous effect of the Rejuvenation Pill on those bidders, they were all amazed.

Marcus said in awe, “Elder brother, I thought these rumors must have been greatly exaggerated,”

“But according to you, the rumors outside are not exaggerated at all,”

“This stuff can really turn back the clock?”

“Yes!” Desmond sighed: “It’s just a pity that I’ve only seen the effect of a quarter of the Rejuvenation pill,”

“I didn’t have the chance to see what kind of magical performance a whole Rejuvenation pill has after taking it

Marcus immediately said, “This is simple,”

“I’ll have someone go directly to investigate the guy who got the Rejuvenation Pill tomorrow,”

“And see how much he has changed before and after.”

“I think since he can afford to buy the Rejuvenation Pill,”

“He must have his own medical team, all the medical records and health conditions,”

“There must be very detailed information,”

“And this kind of person must have a big health problem to bid for the Rejuvenation Pill,”

“So as long as we get his medical records,”

“We can know what kind of physical state he was in before taking the Rejuvenation Pill,”

“And exactly what kind of physical state he was in.”

“Moreover, I believe that after taking the Rejuvenation Pill,”

“He will definitely have his medical team conduct a new evaluation of his body at the first time,”

“And use scientific means to visually present all the changes,”

“That occurred in his body before and after taking the Pill,”

“So as long as we can get his medical records,”

“We will be able to know how effective a whole Rejuvenation Pill really is!”

Desmond said, “Mom, in fact, the safest way is to take Dad to the auction of the Rejuvenation Pill next year,”

“And buy the Pill on the spot and let him take it right there.”

Chapter 4303

The old lady sighed and said, “But according to what you said,”

“They only hold the auction once a year, and this year’s has just ended,”

“So we have to wait another year for the next one. There is nothing we can do

The old lady said, “You have just heard from Stefanie, there was only this one blood-saving pill left,”

“So we must make more plans, the auction is the last bottom plan,”

“If we can get the Rejuvenation pill through other channels before the auction, it would be great!”

After the Evans Family reached a consensus on the matter of the Rejuvenation Pill,

The old lady was in a much better mood all of a sudden,

And it seemed that the whole person was somewhat enlightened,

With a smile hanging on her wrinkled face and an expression full of expectation.

She could not help but lament, "For your father to get a rejuvenation pill,"

"And then hurry to find Charlie, that would be great!"

On the side, Marcus hurriedly said,

"Mom, I'm going to organize another group of people to go out,"

"And search for Charlie's whereabouts to see if we can find any valuable clues."

The old lady said seriously, "We have invested a lot of manpower and resources over the years,"

"But we have not been able to find any clues about Charlie,"

"So I now wonder if we are going in the wrong direction to begin with."

Marcus asked, "Mom, what do you mean?"

The old lady spoke, "I remember that we first searched the entire Aurous Hill several times,"

"And then spread from Aurous Hill to the whole of China,"

"But after searching for more than ten years in there with no clues,"

"We continued to expand the scope to the whole world, and we haven't found any clues until now."

Marcus said: "This is the case, you know, looking for people is not easy,"

“And sometimes, the luck is not so good,”

“We have been looking for orphans of Chinese ancestry around the world,”

“About the same age as Charlie, and then find ways to collect each one’s DNA,”

“And my sister’s DNA information to do a comparison, this is the most foolproof way.”

The world’s 1.5 billion Chinese, and of Charlie’s age, there are at least 100 million people,”

“Even if we use all our abilities and resources,”

“It is impossible to compare the DNA of all 100 million people,”

“If we can achieve 90%, there are at least 10 million people who would not have been compared,”

“And, many things are not as expected, many times the person you want to find is in the 10% you did not check.”

Tece also nodded and said, “Second brother is right, luck is something that often can not be described,”

“Even if you look for one in a hundred, it is possible to find ninety-nine in a row are wrong.”

The old lady also nodded in agreement and said, “So I think we should not spread out so much now.”

Marcus asked, “Mom, you mean to narrow down the search?”

“Right.” The old lady said very seriously, “I think the odds are that Charlie is still in the country.”

Marcus said: “Mom, China has more than 9 million square kilometers, 1.4 billion people,”

“Start from all again to find Charlie, we need at least another 10 years,”

“And the country does not have all the DNA information database,”

“Generally will leave DNA information in the information database,”

“Either have a criminal record or have gone to the police to register to find relatives,”

“Otherwise, most people’s DNA information will not be included, it is very difficult to find.”

But the old lady said very seriously: “It does not matter,”

“This time we will start from the domestic search!”

“Since we have already checked all over Aurous Hill,”

“Let’s do a thorough investigation of the provinces around Aurous Hill, especially the provinces south of Aurous Hill.”

Marcus nodded and said, “Okay, then I will arrange to start with the provinces around Aurous Hill.”

Chapter 4304

Desmond said, “Mom, Marcus, Martel, and Tece are busy with the group’s affairs,”

“So they are busy, so why don’t I stay in the country to look for Charlie’s whereabouts after I go to Eastcliff this time?”

The old lady nodded gently, “Okay!”

At this time, the oldest Martel took a look at the phone that had been in Do Not Disturb mode,

And suddenly exclaimed, "Something big has happened to the Joules family!"

"The Joules family?" Desmond remembered his speculation with Jack Lee and asked offhandedly,

"Did some scandal break out?"

"More than a scandal" Martel said offhandedly,

"The Joules family is estimated to offend the world this time!"

"The news said that the kidnapped kid of the Joules family,"

"He at least abducted twenty innocent girls abused and killed them, and there is video evidence!"

The crowd was stunned and were all filled with horror.

Desmond hastily took out his cell phone,

Just read some pushing news headlines and knew that his good brother,

Jack Lee was afraid that this time it would be too late to save his life.

Out of brotherly love, he hurriedly said, "I'll go make a phone call."

After saying that, he stepped out of the villa, went to the closed track, and made a call to Jack Lee.

At this time, Jack Lee was in a meeting with a handful of police officers and a number of executives.

Just now, the FBI's hand in New York personally ran over,

Scolded them, and even proposed that if they can not solve the case in the next 24 hours, the FBI will take over.

Jack Lee worried scratching his ears.

If the case was taken by the FBI, then the face of the New York police can not be completely saved.

And he will soon retire, naturally do not want to carry such a big case to leave the police,

So he now has all the thoughts on how to solve the case.

However, with all the thoughts and clues, it seems to have entered a dead end,

So he repeatedly is going around in and out, just can not find the key.

At this time, Desmond 's phone suddenly rang, he hurriedly left the conference room,

Went back to his office and picked up the phone.

Once the call came through, Jack Lee asked, "Desmond , how is the old man doing?"

Desmond said, "Fortunately, he has survived."

Jack Lee breathed a sigh of relief and said, "That's good Looks like tonight wasn't all bad"

Desmond asked, "How's your side? I saw the news, it seems things were guessed by both of us."

Jack Lee said helplessly, "I really didn't fcuking expect that this boy could commit such a big thing"

"Did you see the video circulating online? Too fcuking a beast!"

“I haven’t watched it.” Desmond said: “Just been chatting with the mom,”

“Saw the news push also dare not open in front of her.”

“But look at the headline will be able to guess how a thing, such a big scandal,”

“Indeed a little beyond the expected, it seems that behind this Patrick, really is not an idle generation.”

Jack Lee said off the cuff: “More than Patrick’s you know, Master Joules suddenly came back tonight!”

“What?” Desmond exclaimed, “He came back at this time,”

“Is he still alive? How could Floyd let him return to New York alive?”

Jack Lee cursed offhandedly, “Da*n, that’s what’s strange!”

“I went to Joules’s house at night, and Master Joules was there!”

“And what’s even weirder is that Floyd gave up the position of family head!”

“Gave up?” Desmond asked, “Can it be that he returned the family headship to Master Joules?”

“No.” Jack Lee said, “It’s even more incredible than that!”

Saying that, he added: “Do you know Master Joules’s youngest granddaughter, Michaela?”

“I know” Desmond spoke: “What happened to her?”

Jack Lee said, “The new head of the Joules family, that’s her!”

Desmond was dumbfounded, his mind quickly thought about it and said offhandedly,

“Something is wrong! It’s not just this thing that’s not right!”

“Everything that has happened to the Joules family recently is not right!”

Chapter 4305

Desmond has a fine mind, and although his style of action is not strong enough,

He definitely sees things more deeply than the average person.

When he was bidding for the Rejuvenation Pill, he had met with Ferdie.

At that time at the auction, he had also once raised the price to a height that even Ferdie could not reach.

Moreover, what impressed Desmond was that not long after he was expelled from the venue that day,

He heard that Floyd of the Joules family had seized the position of the family head,

And even released a secret headhunt to buy Ferdie’s life.

Desmond immediately realized that even if he was expelled from the field,

Ferdie had not been able to get the Rejuvenation Pill as he had hoped.

At that time, Desmond also thought that Ferdie was already 96 years old,

Dying, and had very little life left, so he would never have a chance to turn around in his life.

But he never expected that the 96-year-old man could suddenly make a comeback.

Therefore, he immediately realized that there must be something wrong here,
Not only just that, but Patrick was also kidnapped and exposed to such a huge scandal,

There must be a master behind all the hidden manipulation.

Jack Lee heard his judgment at this time, also very certain said:

“I now also feel that these things are very wrong, feel whether Patrick was kidnapped,”

“Or Ferdie back to New York, behind the two things,”

“There must be a very good master, just at the moment I really can not grasp clues
.....”

Desmond said seriously: “Patrick was kidnapped, you should not have a directly related person until now, right?”

“No.” Jack Lee said truthfully: “In this line, we have not even found a single witness so far.”

Desmond said seriously: “Then I suggest you, check the line of Ferdie,”

“He was in China, but now can return to New York with dignity,”

“Even when he was chased together with Michaela, who became the head of the Joules family,”

“This proves that Ferdie has a valuable person to help,”

“You do not want to know who is the master behind? Find Ferdie, he definitely knows!”

Jack Lee exclaimed, “You mean, the one who kidnapped Patrick,”

“And the one who helped Ferdie return to New York is the same person?”

Desmond said without thinking, "That's right, I think it must be the same person or the same group of people."

Jack Lee said doubtfully, "Then I don't understand, this person or this group of people,"

"Why on one side kidnapped Patrick, cut off his ears, and exposed all the scandals of him,"

"But on the other side, he helped Ferdie return to New York,"

"If he is very close to Ferdie, he should not lay hands on Ferdie's great-grandson, right?"

Desmond suddenly remembered something at this time and said seriously,

"Old Lee, I suspect that this matter might have something to do with the owner of the Rejuvenation Pill!"

Jack Lee asked in surprise, "The mysterious person who doesn't even put 300 billion dollars in his eyes?"

"That's right!" Desmond said: "Think about it, with the strength of the Joules family,"

"After Floyd became the head of the family, wanted to kill Ferdie,"

"But even his silhouette was not found, but at that time Ferdie and his granddaughter,"

"The two people in China can be said to be all alone, no relatives, no money, no power,"

"If there are no high people to help them, they must have been killed by Floyd by now!"

Jack Lee was also amazed, and said with approval: "That's right! This is the truth!"

"Floyd wanted to kill the ninety-year-old Ferdie after he succeeded in seizing power,"

"It was as easy as pawing, but Ferdie was not killed,"

“Instead he suddenly came back to New York, there must be a high person behind this!”

Chapter 4306

Desmond also became more and more excited: “If it is really the owner of the Rejuvenation Pill,”

“Then maybe he himself is in the United States!”

“You should check Ferdie’s entry records and see who entered the country with him tonight!”

Jack Lee immediately said, “Desmond, you really have a good fucking brain, you’re better than me! I’ll go check now!”

Desmond busily instructed: “Old Lee, if you find a clue about this matter,”

“You must not hide it from me, my old man can only be cured by the Rejuvenation Pill,”

“If you find a relevant clue, you must tell me!”

“Don’t worry!” Jack Lee agreed without hesitation and said off the record,

“I will tell you first if there are any findings!”

Jack Lee hung up the phone and immediately had someone pull up Ferdie’s entry record.

Since Ferdie entered the country from the VIP building,

The number of people entering the country at the same time was not that many,

So Jack Lee quickly pulled out the entry information of more than twenty people at the same time.

Among them, apart from Ferdie, Michaela and Karl,

There was only one Chinese who entered the country at the same time, named Xion Banks.

When Jack Lee saw Xion 's name, his entire pupils shrank!

This woman, he had never seen, but heard of!

Some time ago, she led people to exterminate the whole family of Matsumoto in Japan,

And even escaped under the heavy guard of the Japanese Self Defense Force,

And incidentally made a wave. Jack Lee had heard of her name.

But he didn't expect that she would come to New York with Ferdie!

He immediately found his old colleague in Interpol and asked for his help to investigate Xion 's information.

In the beginning, the Japanese Interpol issued a wanted notice for her,

And had been trying to take her back to be tried,

But after the Dragon Hall announced that Xion had joined them,

The Japanese side quietly pulled down the wanted notice.

But the good thing is that the Interpol database is connected between countries,

So Jack Lee 's old colleague immediately compiled Xion 's information and sent it to him.

After carefully reading the information, Jack Lee immediately gave a call back to Desmond.

As soon as the phone call came through, he said out of the blue,

“Desmond, I found out that there is a woman named Xion who entered the country together with Ferdie,”

“That woman used to be the illegitimate daughter of the Banks Family in China,”

“And some time ago, she committed a murder case in Japan!”

“Banks Family?” Desmond asked in surprise: “I know something about the Banks Family in China,”

“they were as my sister’s in-laws are similar in strength, definitely not as strong as the Joules family,”

“How dare people from the Banks Family interfere in the affairs of the Joules family?”

Jack Lee said offhandedly, “That Xion Banks,”

“Some time ago she joined the Dragon Hall, and now she is working for them!”

“Dragon Hall?!” Desmond was dumbfounded as he listened and said,

“How did they get involved with the Joules family?”

Jack Lee said, “It could be that the Joules family’s senior promised a heavy sum of money,”

“And asked the Dragon Hall to come over to help him take back the family headship.”

Desmond said doubtfully, “If this is the only thing, then your speculation is very reasonable,”

“But the question is if the Dragon Hall is really hired by the Joules family’s senior,”

“How would they go to kidnap Patrick? While being hired,”

“They also kidnapped their employer’s heavy grandson, isn’t that a contradiction?”

Jack Lee remembered something and said offhandedly,

“By the way, the Dragon Hall had friction with your sister’s in-laws before, do you know about this?”

“Yes.” Desmond said in a cold voice: “The master of the Dragon Hall has a grudge against my brother-in-law,”

“And last time he went to them, it is said that the Wade family gave up half of their family fortune to avoid a disaster.”

Jack Lee said offhandedly, “Then it’s possible that the Dragon Hall has tasted sweetness on the Wade family,”

“And now wants to make another fortune for the Joules family!”

Chapter 4307

Desmond had many grievances against the Dragon Hall.

The reason for this is because the Dragon Hall had made a move against the Wade family,

And had also put out the word that his brother-in-law would be thrown to the ground.

Desmond is different from the second brother Marcus,

In the eyes of Marcus, he only recognizes his sister Margaret,

And nephew Charlie, others, even his brother-in-law, he does not put him in his eyes.

This is mainly because Marcus is younger, when his sister married Bruce,
He was still in college and had little contact with his brother-in-law.

But Desmond is different, he and his sister only got two years apart,

So he had a lot of contact with his brother-in-law, deep down,

He still has a certain recognition of Bruce as a brother-in-law.

Because of this, when he heard that the Dragon Hall was looking for the Wade family
with the coffin,

He mentioned this matter to Marcus, hoping that he could put pressure,

On the Dragon Hall on behalf of the Evans family,

So that they would not make things difficult for the Wade family.

But Marcus did not agree.

The reason he did not agree was very simple,

It is because he did not put the Wade family in his heart.

A long time ago, the Wade family's old man Lord Wade once took the initiative to
approach Marcus,

At an elite chamber of commerce meeting, but Marcus told him explicitly,

At the time that in the Wade family he only recognized Charlie, among the others, no
one.

Since Charlie was not found, he naturally had no reason to help the Wade family.

But this incident later also let Marcus a burst of fear.

Because it was so unexpected, Wesley actually wanted to go up,

To the Wade Mountain to his sister and brother-in-law's remains and thwart their bones!

Fortunately, the Wade family later took the initiative to take out half of the family fortune to settle the matter,

Otherwise, if his sister's remains were destroyed,

Marcus could not forgive himself for the rest of his life.

It was also that time, in his heart for the Wade family his emotions more or less loosened,

And also with Desmond's table attitude, if the time is right in the future,

He will definitely give the Wade family some help.

And right now, Desmond heard that the Dragon Hall came again,

In his heart he can not help but feel a surge of a bit of disgust.

So, he said to Jack: "If it's true that the Dragon Hall is behind this,"

"You can't let them get away with it."

"If you can't deal with them in the New York Police, go to the CIA and Homeland Security.

Jack seriously said: "I also plan to do so, but right now there is not a good opportunity,"

"After all, I now know that the members of the Dragon Hall,"

"Have arrived in New York, only Xion Banks as a person, grasped as the intelligence and evidence is seriously inadequate."

Speaking of this, Jack added: "Moreover, there is something I still haven't figured out until now."

Desmond asked, "What is it?"

Jack said, "What you just said is that it is justifiable for Dragon Hall to help,"

"Master Joules seize power and make a fortune in the process,"

"But they have no reason to kidnap Patrick,"

"Unless the person who kidnapped Patrick is someone else."

Desmond sighed: "It's really a problem, it feels like solving a complex equation,"

"No matter which direction to cut, it's not right, it's like there's some necessary condition missing."

Jack remembered something and asked,

"Oh yes, do you remember what I told you about that star named Stefanie Sun?"

"I remember." Desmond asked, "What's wrong? This matter has something to do with her?"

Jack smacked his lips and said seriously,

"There's no evidence that it's related to her yet, but I always feel some connection."

Chapter 4308

Desmond didn't say anything about Stefanie delivering medicine to his father tonight, and saving his life, but asked, "How did you think about it?"

Jack said, "I think this girl is not simple!"

As he said, he added: "Look, from the exposure of this guy Patrick,"

"The night he disappeared to get that charity dinner, it was clearly set up for Stefanie,"

"He certainly wanted to kidnap her, to meet his own perverted desires,"

"But the result was she did not fall in, Patrick, the person who made the game fell in instead,"

"A snake cannot suppress a dragon,"

"Let alone a dragon like Patrick, I say this girl has to have a great ability

Desmond heard here, his expression slightly austere.

A moment later, he spoke, "Old Lee, do you know what Stefanie has to do with our family?"

Jack was surprised and asked, "What? You know her?"

"I have investigated her details, the only daughter of the Sun family in Eastcliff,"

"The Sun family seems to have a good relationship with your sister's in-laws,"

"But the strength seems to be a bit worse than your sister's in-laws,"

"So reasonably speaking, in the eyes of your Evans family, it should not be enough to look at, right?"

Desmond seriously said, "Stefanie, is my nephew's fiancée!"

Jack was shocked and asked, "Really? Your nephew, you have found him?!"

“No.” Desmond said, “Stefanie’s marriage to my nephew was set by my sister when they were both children.”

“Oh Doll marriage ah

Jack muttered a sentence to himself and said off the top of his head,

“But I haven’t heard you talk about this before.”

Desmond said seriously: “I also learned this evening, that my father was critically ill,”

“The heart had stopped, just the right moment Miss Sun came to visit,”

“She had a blood rescue pill, my father pulled back from the brink of death.”

Jack on the other end of the phone froze for a long time,

And only after a long time cursed and said:

“I’ll be damn3d, this evening is really a dog!”

“How come all the strange and bizarre things will happen on this night?”

“The Joules family is not to mention those things, your old man is critically ill,”

“This Stefanie flew from the east coast to the west coast thousands of miles to deliver medicine,”

“Is she a foreteller? Or did she get wind of something in advance?”

“This

“She just happened to come over to visit, I told you, she is my nephew’s fiancée,”

“This time she is on a tour to the United States, so took time to visit the family,”

“Just met my father and he was critically ill, so it

As he spoke he suddenly stopped, his expression was very puzzled.

Although Jack could not see his expression, he could also guess a rough idea,

So he opened his mouth and asked: "Do you also think that this Stefanie,"

"Without knowing anything, could just happen to fly from the east coast of the United States"

"To the west coast overnight to visit at this time of the old man's critical illness,"

"Which is indeed a bit of bullshit to me?"

Desmond murmured, "Hearing you say that, it is indeed a bit"

As Desmond spoke he continued, "But this thing is also a bit strange,"

"If you push it the other way around, my father's critical illness has never been leaked to the public,"

"No one in the outsiders except you, no one knows,"

"How did she know that my father was critically ill?"

Jack asked him, "What time did she arrive?"

Desmond thought about it and said,

"Maybe ten or twenty minutes later than me, I can't remember exactly."

Jack smacked his lips and said, "This is really fucking hell, you came from New York,"

"She also came from New York, and only a dozen or twenty minutes later than you,"

“That is, basically equal to the same foot!”

“This is not a fucking coincidence, it’s fucking deliberate to save the old man!”

Chapter 4309

Jack Lee’s words made Desmond feel a sense of relief.

He also immediately began to mentally calculate the reasonableness of this matter.

Thinking about it, he felt that Jack Lee’s point was right.

If this is all a coincidence, then the old man can no longer even be described,

As blessed with a great life, but simply blessed by the gods of heaven.

Moreover, Stefanie ’s timing was just too good.

If she had been a few minutes later, the old man would have been brain dead,

All due to lack of oxygen in his brain, and that he might not have been saved by the Great Golden Immortal.

In addition, she suddenly flew so far to visit Los Angeles this evening, that too makes it a bit unbelievable.

After all, the east and west coasts of the United States have a distance of more than 4,000 kilometers,

A distance that is farther than from China’s northernmost Desert City all the way to the southernmost Hainan Island.

It is not reasonable to come to visit across such a long distance in the middle of the night.

What's more, Stefanie came to the United States not a day or two, if she wanted to visit,

She could have arranged earlier, or simply later, when she arrived in Los Angeles for a concert, and then visit the family.

But she chose this time, most likely as Jack Lee said, she came in a hurry after knowing that the old man was critically ill.

Thinking of this, he couldn't help but say,

"If that's true, then where exactly did Miss Sunget the information from?"

"The Evans Family has a large number of people, I certainly do not dare to guarantee that all the family members,"

"As well as the Evans Family's underlings are absolutely reliable,"

"But the flow of information takes time, and it cannot be this fast."

Jack Lee said: "If you really want to know, then you have to start from the moment she landed in the Evans Family,"

"And reverse comb her entire line of motion, such as from which airport her plane actually took off,"

"Time of departure, and then push forward from the airport, such as how exactly did she get to the airport?"

"What time did she arrive? With whom? Then continue backward to see exactly where she departed from before going to the airport."

Having said that, he immediately tapped in front of the computer for a while and said,

“All civil aviation flight information and flight trajectories are publicly available on the Internet,”

“And the same is true for private jets. I’ll take a look now.”

“I’m flying from New York this afternoon. Flights to Los Angeles.”

While speaking he identified a series of information from the website,

Then he operated the mouse while speaking: “There are only seven private planes flying from New York to Los Angeles this afternoon,”

“And the last one that landed on the runway at Evans Estate Well, there are only two,”

“The one you flew in I know, and this one with registration number B9733, should be the one that Stefanie took.”

While speaking, Jack Lee exclaimed: “She and you surprisingly both took off from JFK,”

“The two of you only have a 20 minute difference in takeoff time.”

When Desmond heard this, his heart was shocked.

Without waiting for him to speak, Jack Lee said with some excitement,

“Good! Good! Finally, I’ve caught a clue!”

“I’ll have someone check the information and surveillance of the airport,”

“To see where this lady got the magic power to receive the news in such a short period of time!”

Desmond was slightly stunned and quickly said,

“Jack Lee, how about this matter ends here, don’t investigate any further.”

Jack Lee was surprised and asked, “Why? This is the only clue that can be caught,”

“And I now feel more and more my judgment is certainly correct,”

“Because the old man’s critical illness came too suddenly,”

“So this Stefanie did not have the opportunity to properly deal with the clues left behind,”

“Otherwise if you really give her enough time,”

“So that the person is hiding behind a little bit of planning, the mechanism, then we can not even find this clue! “

“Do you not want to find out, in the end, through what channel she knew about the old man’s critical illness?”

Chapter 4310

Desmond said: “Jack Lee, no matter what channel Miss Sun Learned of the old man’s critical illness,”

“I think she has absolutely no hostility towards our Evans Family, not only no hostility,”

“She is also our Evans Family’s great benefactor if she did not come across,”

“These thousands of kilometers to save the old man’s life, he would have passed away by now.”

Desmond spoke here, and with a slight beating he continued:

“Such a great kindness, we have not had the opportunity to properly return,”

“But now to investigate her, this is not justified in reason,”

“In case she finds out, she will think that the Evans Family people do not act generously.”

Jack Lee hesitated for a moment and said seriously: "Desmond, this matter is not only for your An investigation,"

"But also for the investigation of breaking this case, as I said before,"

"She could get out of Patrick's trap unharmed, and even led to him lifting the stone to smash his own feet,"

"It proves that she must have a very strong person sitting around,"

"Maybe, all this can help us to identify that person!"

"The first thing I did was to find out what happened to Patrick,"

"And what happened to Master Joules when he came back, but I couldn't find any clues."

Then, Jack Lee hurriedly added: "Desmond, don't worry, my investigation has nothing to do with you,"

"It's entirely my decision as a police officer to solve the case, and you don't need to have any negative emotions."

Desmond sighed helplessly and said, "Jack Lee, you are a police officer,"

"How to investigate the case is your freedom, I will not interfere much."

"Good!" Jack Lee could not hide his excitement and said,

"Thank you for your understanding Desmond, talk to you later, I must solve this case!"

Desmond busily asked, "Jack Lee, if this matter is related to Miss Gu,"

"Please do me a favor and do not implicate her personally as much as possible."

Jack Lee said without thinking, "Don't worry, I will!"

After hanging up the phone, Jack Lee immediately found his most trusted subordinate and instructed,

"Go to JFK Airport now, starting from the airport,"

"Investigate all the information before the departure of the B9733 private plane,"

"Including the passenger named Stefanie Sun's boarding time,"

"Security check time and arrival time at the airport,"

"And then follow this line all the way to the front,"

"Until or before she left the hotel this morning,"

"Investigate all her movements after she woke up!"

"Bring me back all the video data you can get!"

The subordinate asked in surprise, "Chief you want to investigate that big star?"

"She's getting a lot of attention right now, we're investigating her for no reason,"

"This if the top asks down, how can we explain?"

Jack Lee said in a cold voice: "I suspect that she is related to the case of Patrick's kidnapping,"

"So I must investigate her to the letter, but before finding the actual clues,"

"You must ensure that this matter remains in the dark, otherwise, we will both be in trouble!"

Jack Lee's subordinate is very clear about the seriousness of this matter.

In the United States, this law enforcement authority is extremely clear and everywhere restricted country,

In the absence of permission from superiors, randomly follow the investigation of a public figure,

Once exposed, it is likely to provoke a lot of public pressure.

However, he himself is Jack Lee's favorite, very obedient to his orders,

So at this time I dare not delay, immediately said: "Chief, then I will go to investigate!"

Jack Lee instructed: "Remember, do not miss any clues!"

"Maybe an inadvertent discovery can affect the detection of the entire case!"

The other party nodded and said, "Don't worry, I've been with you for so many years,"

"You still don't understand my style of action?"

Saying that he looked at the time and said,

"It's already past two in the morning, I'll try to bring back the clues you want before nine in the morning!"

Jack Lee nodded and said, "Hard work!"

Chapter 4311

With the departure of his man, Jack Lee's heart, finally, had a hint of hidden excitement.

Since Patrick was kidnapped, he had been very depressed.

Because he couldn't find a clue, and now he also finally saw a glimmer of hope.

At this time in New York, already night, but the city is still not asleep.

Patrick's video is still spreading extremely fast on the Internet.

Countless New York citizens were stimulated by the video to sleep,

The public's mood is also very complex, angry, nervous, scared, or anxious.

People are constantly expressing their views on the matter online,

While many people have also started to denounce the Joules family online.

Although everyone knows that all these things are the personal actions of Patrick,

But the sober public is very clear that the reason why Patrick was able to commit,

So many untold crimes, all are largely due to the blessing of the family halo,

And the support of the family's financial power.

The Joules family's reputation, all of a sudden fell to the bottom and became the object of everyone's scorn.

And Dawson, as the head of the family in the eyes of the public,

Has also become the target of crazy attacks by netizens at this time.

Stella did not immediately come out to represent the Joules family to take a stand,

And Dawson looked at the Internet so many people scolded him to death,

The whole person's mood is unusually low at this moment.

He wanted to beg Stella to come out and make a statement,

And also officially announce that she has replaced him as the new family head.

However, he did not dare to go to her to open his mouth.

After all, she and the old man did not pursue him for power seizure.

It is already extraordinary generosity, he runs over to make a request at this time,

This would simply be asking for some trouble.

And he also knows very well, that Charlie Wade has explained it to Stella,

It is tomorrow morning that she officially has to hold a conference.

This means that from now until tomorrow, before the start of the conference,

He has to block the gun for the entire Joules family.

.....

The next day early in the morning.

Just as the group of passionate netizens on the internet,

Cursing Patrick Joules and Dawson Joules to death all night long,

Another video was suddenly released on the internet.

In the video, the bodies of Patrick and Charlson were lying in front of an incinerator,

And the person who shot the video identified them both,

Then pushed the two bodies into the incinerator and burned them cleanly with a fire.

From the corpse identification to the corpse was pushed into the incinerator ignition,

And then the body finally turned into a pile of ashes,

The entire video has no editing, it is completely a single string to the end.

At the end of the video, there are some subtitles at the bottom,

Presenting seven big words: good or evil, all will have a reward at the end.

Once this video was released, it immediately exploded the entire network.

People only knew that Patrick was kidnapped and his ears were brutally cut off by the kidnapers,

But they didn't know what his current condition was.

And now, the two culprits of the whole thing were executed by the kidnapers,

Which instantly made everyone excited to the extreme!

They knew very well in their hearts that once these two people were arrested and brought to justice,

Then these two people would definitely only be sentenced to life imprisonment.

If that was the case, every one of them would be very dissatisfied.

And now that the mysterious kidnapers have taken out these two scums of the earth,

What could be more gratifying than that?

Chapter 4312

So, at this time, the ordinary people stopped calling these mysterious people kidnapers,

And instead started calling them chivalrous robbers and praised these chivalrous robbers.

In the opinion of the general public, if this mysterious group of chivalrous robbers had not kidnapped Patrick,

And exposed these crimes of his, then instead of getting any sanction,

Patrick would have continued to brutalize an unknown number of innocent victims.

So, these chivalrous robbers not only terminated the atrocities,

But even sent the criminals to hell, which can be said to be of great merit.

Along with the video, there are also these words, "good or evil, all will have a reward at the end."

Countless people after reading the words are deeply shocked,

Many of them started to put these words in their social media bios and statuses.

There are even many tattoo enthusiasts, early in the morning calling their tattoo artist,

And can not wait to tattoo these words on their bodies.

At this time, the night without sleep, Jack Lee,

Just made a cup of coffee ready to refresh his bogged mind.

Eager to crack the case, he did not leave his office all night.

He was waiting with great anticipation for the results of his subordinate's investigation,

When suddenly there was a knock on the door,

A subordinate rushed in a panic and said offhandedly:

"Inspector, something big has happened!"

When Jack Lee, who had not slept all night, heard this,

He immediately felt overwhelmed, and he hurriedly asked, "What happened this time?"

The other party said, "Patrick Joules is dead! And Charlson Cox, both are dead!"

"What?!" When Jack Lee heard this, he asked with horror, "When did this happen?"

“Just now!” The other party explained: “A video just came out on the Internet,”

“In the video, Patrick and Charlson have been cremated!”

Jack Lee’s brain was dizzy and he quickly said, “Quick, let me see!”

His subordinate hurriedly handed over the phone,

And on the screen, it was the video that had just been exposed.

Jack Lee clicked on it and saw the two bodies being pushed into the incinerator,

And immediately cursed in anger:

“These people are so desperate! They’ve blocked all the ways out for us!”

For Jack Lee, Patrick was kidnapped and he didn’t catch him,

Patrick had his ears cut off and he didn’t catch him,

Until Patrick’s evil deeds came to light, but he didn’t notice it before,

And then he didn’t catch him, which has made him, and the whole police force loses face.

The only way to regain their status back was to find a way,

To find the person who kidnapped Patrick, and then get him back for a public trial.

Only in this way could the police department regain its last bit of face.

However, he did not expect that the kidnappers were so ruthless,

So much so that they directly killed Patrick and Charlson!

This is equivalent to the last little retreat for him blocked in a large part!

From the beginning to the end, the police failed to seize the opportunity to regain face,

And now that Patrick was also dead, Jack Lee felt that the only thing he could do was to catch the kidnapers.

Only by catching the kidnapers could the police prove that they were still useful.

However, Jack Lee still has a worry in his heart,

If he really finds a clue, should he catch people?

If not, the police will lose face and the entity of justice will be challenged.

But if he really catches them, how to explain it to the public?

After all, these kidnapers have become the eyes of the public chivalrous,

The police did not catch the bad guys but in the end,

The chivalrous gang is arrested, and the public will certainly scold them to death

At this instant, Jack Lee felt the whole headache explode, he did not know what to do.

The man who was sent to investigate Stefanie called at this time and spoke:

“Chief, there is a clue!”

Chapter 4313

The words of his subordinate made Jack Lee’s spirit shake.

He hurriedly asked, “What have you found?”

The subordinate immediately reported, “We have found Stefanie Sun’s movement line,”

“Before she went to the airport yesterday, and she actually had a spatial intersection with you, chief!”

“What?!” As a police detective, Jack Lee naturally knew what spatial intersection meant,

Which meant that he was once in the same physical space as Stefanie,

Which made him exclaim: "Spatial intersection in what place?!"

The subordinate said, "She first went to Joules's house yesterday at noon,"

"Then from Joules's house, she went to the Cantonese style roast goose restaurant in Chinatown,"

"And after she arrived at the roast goose restaurant, you and Mr. An also arrived there!"

"Fck!" Jack Lee burst out a foul mouth and cursed, "So that's how it is!"

When he heard this, he was actually a little disappointed in his heart.

By digging deeper into this line of Stefanie, he originally wanted to bring out,

The mysterious person hiding behind her to protect her.

Moreover, he had always felt that she must have a very strong intelligence network,

This was why she was able to get the news of the Evans Family's old man's critical illness in such a short time.

However, listening to his man so reported, he realized that the original thing is a coincidence,

It is that at that time Stefanie herself was in that roast goose restaurant,

So Desmond chatted with him and was not surprisingly heard by her

Thinking of this, he sighed lightly and asked:

“Who was with her? When did she leave?”

The subordinate said, “I watched the surrounding CCTV footage, specifically with whom,”

“It is not yet possible to determine, but she arrived first before you,”

“Mr. An left first, you probably came out after waiting for two or three minutes,”

“Stefanie came after a minute or two after you came out, as she came out, she went directly to the airport.”

Jack Lee was busy saying, “Send me the video to see!”

“Okay.”

Soon, Jack Lee’s phone received a video.

This video originated from the surveillance camera that was diagonally across from the roast goose restaurant.

After he opened it, he saw the process of Stefanie and Charlie’s car arriving at the roast goose restaurant.

However, because the front door of the restaurant is just in the dead center of this surveillance probe,

So in the video, they can not see the situation when people get out of the car.

If they can find the frontal surveillance video,

Jack Lee will be able to see, Stefanie then from the car after getting down,

and intimately holding a man into the roast goose restaurant.

And that man is the Evans Family struggling to find for twenty years named Charlie Wade!

At this point in the video, just shortly after Stefanie and Charlie's car stopped, Jack Lee saw himself and Desmond's car also entered the monitoring range.

He looked straight sucking his teeth, then a phone call to the other side,

Opened his mouth and asked: "You did not find other monitoring probes?"

"The best is that the other side can be photographed, people."

The other side replied: "No, the one in the line of roast goose restaurant surveillance video it is only this one."

Jack Lee cursed and said: "Fcuk, long suggested to the mayor, let him allocate funds to set up a Skynet system,"

"He just grumbled reluctant to approve, look on the other side,"

"Even a small city's surveillance coverage rate has long exceeded 95%!"

"And look at New York, until last year, only the subway stations have installed monitoring!"

The other side helplessly said: "Chief, even in New York if we installed the Skynet,"

"It is not of much use, even if you can install 100,000 cameras overnight,"

"The next day certainly those gang members smashed half of them,"

"The remaining half, it is estimated that the homeless will demolished them for cigarettes and burgers "

Jack Lee sighed and said, "Forget it, look for any other clues."

The other party was busy asking:

"Do you want to ask the owner of that roast goose restaurant?"

"Maybe the restaurant has its own surveillance."

Jack Lee immediately said, "Do not go there first, that Stefanie as the most famous singer in the Chinese,"

"But went to this roast goose restaurant to eat,"

"The probability of knowing with the owner is high, risking to ask, it will alert the snake."

While speaking Jack Lee had a bright idea, so he said: "So, you wait for the roast goose restaurant to open,"

"Go inside to eat a meal, see if there is a security camera inside, if there is,"

"In the afternoon, let people in the vicinity of the street robbery create a cell phone snatching drama,"

"And then ask a man to go to the restaurant, say that the investigation needs to retrieve their surveillance video,"

"At that time you can retrieve the whole hard drive."

The other party laughed: "I get it sir you have the means!"

"Then I'll wait for them to open the door and go over to take a look first!"

After Jack Lee gave a hint, he hung up the phone.

After hanging up the phone, he flipped out the video just now,

Then he pulled back the progress bar, he then first saw Desmond's car quickly leave from the restaurant,

Shortly after, he himself also walked out from the restaurant,

Followed by the car that Stefanie took then also drove away from Chinatown in the same direction as Desmond.

Seeing this, he couldn't help but mutter: "That day when I went to this restaurant with Desmond,"

"It was already long after dinner, the restaurant seemed to be empty, so where was Stefanie?"

In his mind, he could not help but close his eyes,

In his mind replayed the situation in the restaurant that day.

Soon, the picture of that day was presented in his mind.

As a detective for a long time, he has a very strong passive memory,

May not have noticed a small detail of the scene,

But those details have actually been in his mind like a video recorder,

Mechanically stored in the mind, he can replay, just like rewinding and rewatching again,

Many of the details of the time, he is able to capture again.

Soon, he remembered that in the roast goose restaurant,

Next to the right-hand side, there was a wooden staircase upward,

That day when he and Desmond entered the door, they did not deliberately pay attention to the staircase,

But an image in his mind suddenly flashed, then the staircase was not empty,

But there were two people's four legs that appeared in the uppermost right corner of the image in his mind.

He immediately confirmed in his mind that when he and Desmond went to the restaurant that day,

Stefanie should have just gone up with another person.

So, he couldn't help but murmur, "Who is the other person? Is it her agent?"

"Or is it the kid who fell out with Rogers Joules when Patrick was kidnapped that day?"

Thinking of this, his mind couldn't help but think of Charlie's performance that day.

When he thought of Charlie, he couldn't help but think:

"After Patrick was kidnapped that day, under Rogers's aggressive posture,"

"He was already able to not show the slightest bit of fear, and even not let go,"

"So it is clear that he is extremely confident in his heart, but why is he so confident?"

"He knew, this is the Joules family's territory, he accompanied Stefanie to attend the charity dinner organized by Patrick,"

"He certainly knew the Joules family's strength in the background."

"Knowing the ability of the Joules family, and still do not put Rogers in the eyes,"

“This kind of person, in the end, is too strong, or too crazy?”

When Jack Lee thought of this, he felt more and more...

That there seemed to be some secrets in that young man.

Chapter 4315

Jack Lee felt that a person, whether he was crazy or strong, had to have enough backbone,

So he wanted to find out why that young man had the backbone to go head to head with Rogers Joules.

In his opinion, this young man may become a breakthrough point.

However, what he is most worried about now is that...

He does not know how to reach that young man in a reasonable way.

After all, if a person's rash approach without a reasonable enough reason,

Then he will certainly suspect the other party's motives for approaching him.

For smart people, once they sense that something is wrong,

They will immediately take countermeasures so that the other party can not find any breakthrough point.

Just when he was worried about this matter, Desmond suddenly called.

Jack Lee did not hesitate, so he directly pressed the answer button.

On the other end of the phone, Desmond opened up and asked,

“Jack Lee, did you find anything new last night?”

In fact, Desmond did not sleep much last night, his mind has been thinking,

How did Stefanie in the end learn the news of the old man’s critical illness?

However, after all, he told Jack Lee yesterday that he didn’t want to investigate Stefanie,

So now he was too embarrassed to ask Jack Lee directly,

And could only ask vaguely if there were any new discoveries.

Jack Lee and Desmond are good brothers for many years,

Naturally knows what is in his brother’s mind, so he directly replied:

“I had someone reverse trace the source from JFK airport, to say you may not believe it,”

“When we were eating roast goose in Chinatown, this Stefanie was also there.”

“What?!” Desmond incomparably surprised asked:

“She was also in the restaurant? That can’t be, there were only two of us in there,”

“At that time besides the boss and his guys, right?”

Jack Lee said, “You may not have noticed, but I carefully thought back,”

“We were entering the restaurant when there were two people,”

“Who had just arrived before us on the floor, one of the two people was Stefanie.”

Desmond blurted out: “I see there is such a coincidence!”

“This means that Miss Sun did not get the news of the old man’s critical illness from other people,”

“She heard it directly from me when I was speaking to you

“Right.” Jack Lee smiled sarcastically and said, “This thing looks like I thought too much,”

“I thought yesterday that there must be some conspiracy theory,”

“But I did not expect that things can have such a coincidence,”

“At that time you said that the old master is seriously ill, rushed to the airport,”

“I did not have much time to leave, after I left Stefanie’s car also left Chinatown,”

“In the same direction as you, must be directly going there to the airport,”

“Which can reasonably explain why she could follow you to Los Angeles.”

Desmond sighed: “It seems that the old man is really blessed with a great life

“That day if the two of us did not go to eat roast goose,”

“The old man would certainly not be able to pass this hurdle

“Yes.” Jack Lee sighed: “Speaking of which this Miss Sun is also really affectionate,”

“After hearing about this matter, immediately went to Los Angeles,”

“It seems that the reason why she would come to Los Angeles,”

“It was not to pay a visit, but to save the old man to go.”

Desmond said with incomparable emotion,

“I really didn’t expect that the hidden story of the matter would be like this

“In that case, our Evans Family owes Miss Sun an even greater debt of gratitude

Jack Lee gave a hmmm, but soon muttered with some doubts,

“Desmond, there is a thing I did not understand, if I say out loud you do not mind right.”

Desmond then said, “You say it.”

Chapter 4316

Jack Lee said, “Look since this Miss Sun had the medicine that could save the old man,”

And she also knew that you were downstairs, so why did you think she didn’t just give you the medicine?”

Saying that Jack Lee added: “And look, she didn’t go after you immediately after you left,”

“She waited until I left before coming out, which feels as if she was deliberately trying to avoid you.”

“This

 Desmond also can not think of a reason, so said:

“You said she did not give me the medicine directly,”

“It is likely that she was afraid that I would not believe it?”

“If I don’t believe in her medicine, whether I will receive it is a question,”

“Whether I will give it to the old man after receiving it, is another question.”

Jack Lee sighed and said, “Maybe, but I feel that in all these things,”

“There is not a single thing that is logical and completely smooth.”

Desmond then said, “Okay, then you should not be too suspicious,”

“I just received a news push, the Joules family’s spokesman announced that the Joules family will hold a press conference at eight o’clock in the morning,”

“When the whole network synchronized live, it is estimated that the newly appointed young girl will step in to save the day.”

Jack Lee smiled sarcastically and said, “To save the day this mess, I think whoever it is, they can not clean up.”

Desmond said: “This time if the brave man breaks his wrist, there is still a chance,”

“Depending on whether this little girl has the courage or not.”

Jack Lee laughed: “Then I’d like to see how capable this little girl really is!”

“If she can save the day and try to moderate the public anger, it will be a favor to me,”

“Otherwise, I’m really fcuking worried to death

Saying that Jack Lee lamented: “A dead Patrick, a dead Charlson Cox,”

“And also involved dozens of brutalized young girls, so many cases of human life,”

“It really is an overwhelming case for the whole of the police department and law enforcement in the city.....”

Desmond said: "The good thing is that those young girls are not missing in New York,"

"This you can still excuse yourself a little."

Saying that Desmond reminded, "But Jack Lee, you have to find a way to stabilize the situation first,"

"You can't let the situation go down further."

"Yes." Jack Lee spoke, "I will have a morning meeting with them in a moment,"

"And the attitude should be clear, no matter what, no one can die again in New York because of this matter."

As soon as the words fell, a subordinate pushed the door without knocking and said in a panic:

"Inspector, something big has happened!"

When Jack Lee heard this, his head buzzed with a sharp pain.

He thought his nerves were big enough, but he didn't expect to be tortured.

Into a nervous breakdown by the words 'something big has happened.

These four words, don't know how many times he has heard,

But each time after hearing, his nerves have to suffer from the destruction and stimulation.

So he could only ask: "What's the big fucking deal again?"

The subordinate said in a panic:

"Someone found a dozen floating bodies in the mouth of the Hudson River,"

"Each body is tied to the float, the body is also chained with the lead that is sunk in the water,"

“The killer deliberately let them float in less than a meter from the surface,”

“Early in the morning, a boat saw a group of things swaying around in the water,”

“And though it was some large fish, only to find all the dead people

“Holy sh!t!” Jack Lee stood up, and said: “How can so many people die? Have the dead been identified?”

“It’s confirmed.” The subordinate said incomparably nervous:

“The nearest precinct has sent people over, after the initial investigation of the scene,”

“It can be determined that the dead are almost all dignitaries and the gentry of the great families

“Among them are the heir of the Routhschild collateral family,”

“And the eldest son of the Hudson family

“Brandt family, the son-in-law of British aristocratic origin

Chapter 4317

The report from his subordinates made Jack Lee furious.

He really didn’t expect that not long after Patrick and Charlson died,

So many corpses were suddenly found in New York, and all of them were dignitaries.

He subconsciously asked: “Has the forensic pathologist reached there?”

The subordinate replied: “Yes, even the FBI has received the wind and sent people over to investigate.”

Jack Lee asked with a black face: “When did these people die?”

“Last night.” The subordinate replied offhand:

“The coroner said the time of death was no more than eight hours.”

“D*mn it!” Jack Lee said without thinking: “It must be the same gang that killed Patrick

After saying that, he immediately ordered,

“Hurry up and have them all transfer the corpses to the morgue of the autopsy center,”

“Don’t let any media get close, and don’t let anyone give media interviews!”

“If anyone dares to quietly give information to the media, once caught, I will not spare them!”

The subordinate said, “I’ll talk to them now!”

The subordinate turned and left, and Jack Lee slammed the ashtray to the ground, and the glass ashtray instantly fell into pieces.

At this moment, his heart was already burning with anger.

He really did not expect that he had just said that luckily these deaths were not in New York,

The echo of the words in this room had not completely dissipated, and immediately he got this news.

What he didn’t expect was that these people would dare to play so big in New York,

Which simply did not put the NYPD in the eye!

This reminds him of what happened to the Tokyo Police Department some time ago.

In those days of the Tokyo chaos, the Tokyo Police Department should have faced the same situation as he is now.

Thinking of this, he remembered Xion Bank who entered the country with Ferdie and Michaela.

He couldn't help but think: "Could it be that this time it was xion's handiwork again?"

"Okay! Then I will go and meet her! Let's see how capable she really is!"

With his mind made up, Jack Lee picked up the desk phone, dialed a short number, and ordered,

"Tell the second team to get ready, we'll leave in two minutes!"

After saying that, he hung up the phone and found that his phone was still on,

So he picked it up and said to Desmond,

"Desmond, I have some urgent business to take care of, let's leave it for now."

Desmond said, "Jack Lee, I advise you not to try to hide this matter,"

"Because it won't be long before the killer will definitely take the initiative,"

"To release the video and evidence with these dozen or so people."

Jack Lee asked, "You mean that these people, like Patrick, have done a lot of unconscionable things?"

"Definitely." Desmond opened his mouth and said,

"Although the murderers behind the scenes are vicious, but honestly,"

“What they do, is also considered to punish evil and promote good, remove the violence,”

“So I believe that they will not kill without reason, once killed,”

“It proves that these people must be extremely evil.”

Saying that Desmond added: “With their style of action, this matter will certainly be exposed at a suitable time,”

“And by then everyone will definitely know, so there is no need for you to hide it for the time being,”

“It is better to take the initiative to announce it to the public openly and honestly.”

Jack Lee let out a long sigh and said helplessly, “Hmm! The impact of this incident on the NYPD is really too bad,”

“I’m about to retire, I don’t want to say anything to become the public enemy before retirement.”

When the supervisor heard this, he said angrily,

"Inspector Lee! You do not threaten me with in-situ retirement!"
